Martin Kramer is The Washington Institute's Walter P. Stern Fellow and author of one of its most widely read monographs, *Ivory Towers on Sand: The Failure of Middle Eastern Studies in America*.

Articles & Testimony

**The painting and the historical scene it depicts remind us that many aspects of the coronavirus pandemic—from equipment rationing to 'Orient blaming' to political clashes with medical science—are nothing new.**

**“T**he appearance of Bonaparte in Palestine was only like the passing of a terrible meteor, which, after causing much devastation, again disappears.” This was the verdict of the great Jewish historian Heinrich Graetz, who was referring to Napoleon Bonaparte’s short-lived invasion of Palestine in 1799. One possible reason for Napoleon’s failure was the plague. This is the point at which a huge neoclassical masterpiece comes in...
