Articles & Testimony

A former correspondent in Tehran reflects on how the crisis set the stage for many of Washington's current difficulties with the regime, and whether anything has really changed.

Forty years ago this week, the U.S. Embassy in Tehran was seized by revolutionaries apparently angered by diplomatic contacts between the nine-month-old, post-Shah Islamic regime and U.S. officials. This motive, seeking to make the new Iran implacably and permanently hostile to the United States, has been very successful, in the judgment of most of us. The elusive question has been whether the people of Iran share their government's view...
