Articles & Testimony

The current set of potential obstacles is much less formidable than what Washington faced just six months ago, and translating possibility into reality begins with the Trump-Netanyahu meeting.

When President Trump welcomes Israeli Prime Minister Benjamin Netanyahu to the White House on Tuesday, their conversation will focus on a Middle East where Israel's stunning military prowess—supported by its American patron—has tilted the balance of power more heavily in favor of the U.S. and its allies than at any point in decades. The challenge for Trump is how to take advantage of this moment. Over the next four years, the potential is real for Trump to achieve, with our Israeli partners, peace agreements on five fronts: with Syria, Lebanon, Saudi Arabia, broader Arab and Muslim states, and the Palestinians. As breathtaking as that sounds, it is not a pie-in-the-sky dream...
