The map illustrates the Persian Gulf region, highlighting the strategic importance of oil pipelines. Key locations include Kuba, Bandar Abbas, Bushehr, Ahwaz, Umm al-Qasr, and Ras Tanura. The map shows the Persian Gulf, the Gulf of Oman, and the Red Sea. A legend in the top right corner indicates that red lines represent oil pipelines, blue lines represent gas pipelines, and green lines represent water pipelines. An inset map in the bottom right corner shows the location of the Persian Gulf within the Middle East.
