**An in-depth look at the terrorist group's ongoing activities in a multitude of countries, and the steps that government agencies are taking to counter them.**

In recent years Hezbollah has come under increased international scrutiny. In 2013 the European Union blacklisted its military wing and the Gulf Cooperation Council designated the entire organization a terrorist group. And yet the group continues to operate around the world, becoming more active across the Middle East while building and maintaining networks in regions as far afield as Africa, Southeast Asia, North and South America, and Europe. Hezbollah also remained on the same bloody path before, during, and after the Iran nuclear deal...
