Articles & Testimony

**W**ith war drums being beaten in both the Korean Peninsula and the Middle East, a sign of a North Korea and Iran emboldened by the inability of the international community to stop their nuclear programs, eyes now fall on the credibility of the U.S. security umbrella over its allies Israel and South Korea. At a time when rogue regimes are pursuing nuclear weapons and setting off a cascade of nuclear proliferation that threatens the Nuclear Nonproliferation Treaty regime, the United States and the international community are bound in the stalemate of the UN Security Council conceptual framework..... ❖
